RC. No. 398 A2/51 dated 4-2-1952.

Sir,

Sub: Government High School for Girls Mangalore- purchase of furniture from outside the Jail department

&@&@&@&@&

The Headmistress, Government Girls' High School, Mangalore requests permission to purchase the articles of furniture mentioned in the enclosures to this letter from outside the Jail Department. The Headmistress has addressed the Principal, Karnatak Polytechnic but he has expressed his inability to undertake the supply. The Headmistress therefore has submitted proposals in the form prescribed in G.O.No. 4270 Home department dated 8-8-37 (copy enclosed) and has requested permission to purchase the furniture from outside the Jail department.

I therefore request that Government may be pleased to permit the Headmistress to purchase the furniture from outside the Jail Department. As the financial year is drawing to a close I request early orders of Government in the matter. The total cost of the indent is within my sanctioning powers. The Headmistress will be permitted to purchase the five buckets from the Public Works Department Workshops, and the Godrej almirahs locally.

Yours faithfully,

for Director of Public Instruction

to the above work until the end of December 1957". But we could not accept this reply; for, during the last financial year 1956-57, when Orders were placed for the furniture early in December 1956, immediately on receipt of the Sanction Order, R.C. No. 607 A2/56 dt 24.11.56 of the D.P.I. Madras, communicated vide his No. 121 A/56 dt 5.12.56 of the Inspectress, the Principal, Karnataka Polytechnic Mangalore, expressed his inability to take up the work, saying that Service Orders have already been booked against full production Capacity, he was not in a position to undertake the work. As such, the full amount of Rs 11946-00 lapsed owing to the lack of sufficient time to get permission from the Govt. to purchase the furniture locally, and the proposal was deferred for this year vide D.P.I. RC. 607 A2/56 dt 13.3.57. Since it is feared that they might put it off to the last minute and there is the likelihood of surrendering the full amount this year also, the Principal was addressed again in this Office R.C. No. 502/57 dt 16.7.57 (True copy enclosed) to give us a definite reply whether he will be able to supply the various items of Furniture specified in the list within 2 months after December 1957 i.e. at least by the end of February 1958. Inspite of urgent requests and repeated urgent reminders to date (copies enclosed) the Principal, Karnataka Polytechnic has not given a reply till this day.

Urgency necessitating the Local Purchase of Articles:- As all the items indented

are necessary as per remarks mentioned and specially due to increase in the strength, there are not sufficient desks and chairs for the pupils and since no definite reply has been received from the Principal, Karnataka Polytechnic, Mangalore, early steps for the purchase of furniture as the upon market may be kindly accorded.
